Sir,

Subject - Petition of Mr C Subba Rao Shimoga for payment of compensation for the loss of Jari amount in respect of Brahmadaya Inam land S No 24 Shimoga Village consequent on the breaching of Somaiah's Tank as an 'Anti Malaria Measure'

I have the honour to state that Mr C Subba Rao Patchkatdar under Somaiah's Tank, Shimoga, petitioned to this office representing that consequent on the breaching of the said tank as an Anti malarial measure the wet land i e S No 24 (which is a Brahmadaya Inam Land) measuring 9 acres 11 guntas in extent and assessed to a Land Revenue of Rs 30/- was converted into dry land and that as a consequence thereof the assessment on the land in question has consequently been reduced to Rs 8-8-0 at dry rates while the Jodi payable by him remain the same (i e Rs 8-5-0) and that as a result of the reduction of conversion of the land from wet into dry and the reduction of assessment there is a diminution of the Jari amount by Rs 21-8-0 and that this loss might be compensated by awarding compensation at rates sanctioned by Government in the case of Mr C Shama Rao vide G O No-L 6112-4 Ml 111-43-70 dated 15th December 1943

From the records and the report received from the Amildar, Shimoga Taluk it is seen that S No 24 of Shimoga Village measuring 9 acres 11 guntas is a Brahmadaya Inam land and was originally assessed at Rs 30/- (while the land was wet) - the Jodi payable being Rs 8-5-0 The Inamdar was therefore enjoying a jari of Rs 21-11-0 But after conversion of the said S No from wet into dry the land has been

been assessed at Rs 8-8-0 ar rate while the Jodi payable remains the same The jari row enjoyed is onl Rs 0-3-0 There is thus a diminution of the Jari amount b Rs 21-8-0 (i e from P 21-11-0 - 0-3-0)

The request of the petitioner is that this loss of Jari amount of R 21-8-0 annuall might be compensated the loss being capitalised i e at 25 times the annual loss sustained as in the case of Mr C Shama Rao another Inamdar

The difference of compensation at Rs 21-8-0 per annum for 25 years will work out to R 537-8-0

I write to state in this connection that this case is on all fours with the case of Mr C Shama Rao whose wet lands too were converted into dr and in whose case a sum of R 112 8-0 was sanctioned b Government as compensation for loss of jari (vide order No L 6112-A/V1 111-43-70 dated 15-12-43) the expenditure being met out of the balance available out of the advance of Rs 7000/- sanctioned to the Shimoga Town Municipalit to pa compensation to the several Atchkatdars under Sonaiah's Tank for the loss of their irrigation rights

It is ascertained from the Municipal President Shimo a that a sum of Rs 454-12-0 is still available out of the advance of Rs 7000/- referred to above

The expenditure of Rs 537-8-0 now proposed will be met from the available balance of R 454-12-0 referred to above and the balance i e 83/- will have to be paid out of the Municipal Funds

In these circumstance I request that order of Government may kindl be obtained to the payment of the compensation amount of Rs 537-8-0 to Mr C Subba Rao as prayed for b him

The petition along with its other enclosures received from the Sub Division Officer Shimo a vide his Memo No R3 C 280-393/43-44 dated 27 6-44 is for ardec herewith for favour of reference
